REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 17th January 1863, No. 277 :—

Read the following letter from V. H. LEVINGE, Esq., Collector of Madura, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated 22nd December 1862, No. 270.

SIR,

1. With reference to the Orders of Government, No. 2,285, dated the 24th September, I have the honor to report that the amount of Local Fund available for the inprovement and maintenance of District roads in this District is about 5,000 Rupees yearly, derivable from the Cattle Pound Fund, and that about 3,000 Rupees of this might be made available for the maintenance of some of the minor roads, entered in the list forwarded by the District Engineer to the Deputy Chief Engineer with his letter, No. 498, dated the 20th August 1862.

2. The roads on which this maintenance should be spent are—

From Madura to Pallaputty.
From Ammeanacknur to Dindigul.
From Pullaputty to Periacolam.
From Madura to Ooselamputty.
From Terumungalam to Ooselamputty.

Vide Order of Government in the Revenue Department, No. 2,274, received with Board's Proceedings dated 29th October 1862, No. 7,1[illegible]

3. With reference to the 3rd paragraph of the above Order of Government, I have called on the Zemindars to report whether they are willing to make any grant for the maintenance of roads in their Zemindaries, but have received no reply, and am under the impression that they will not give any thing voluntarily. Of the six roads in those Zemindaries mentioned in the Engineer's list,* there are only two which I consider should be maintained by Government; they are Nos. 25 and 26, as they connect Cusbas to Sub-Magistrates' stations with each other, with Post Offices, with the Deputy Magistrates' station and with the site of a Moonsiff's Court.

* The list is returned herewith.
